

COMCAST SPOTLIGHT

OVERVIEW

Comcast Spotlight is the advertising sales division of Comcast Cable, helping local, regional and national advertisers efficiently and effectively reach their ideal audiences. We're leading the industry with advanced technologies and innovative products, and delivering more impressions for marketers on multiple screens.

Comcast Spotlight is headquartered in New York City with offices around the country. We have a presence in nearly 80 markets, and through relationships with cable television, satellite and telephone providers, we reach more than 35 million households across the country.

Our mission is to take what can be complex about local and multi-market advertising and make it simple. We've made it easy to pinpoint the right audience and deliver the right message at the right time.

With an average of 50 or more distinct networks available in every market we serve, Comcast Spotlight can tap into the greater purchasing power of cable viewers and precisely segment audiences based on demographic, psychographic and geographic criteria.

Comcast Spotlight links customers directly to businesses, with interactive, on-demand and digital advertising.

Knowledge is power, and Comcast Spotlight's research team provides the insights that identify not just who a company's best customers are, but what, when and where they're watching.

FAST FACTS

- Comcast Spotlight is in eight of the top 10 markets, and 19 of the top 25 markets.
- Comcast Spotlight reaches more than 35 million households with television service and more than 20 million with broadband internet service.
- Interactive advertising is available in more than 16 million homes.
- Comcast Spotlight offers insightful market research and integrated promotional opportunities that leverage network brands to enhance marketers' campaigns.

MULTI-SCREEN ADVERTISING

WE KNOW YOUR AUDIENCE

OVERVIEW

Today's consumers live in digital homes, using Comcast's technology to watch video on more screens all around the house—and on the go. Comcast Spotlight's multi-screen advertising solutions combine the strengths of each screen customers use. Our expertise in reaching fragmented audiences lets us create custom campaigns with broader reach, more impressions and deeper engagement.

Television Advertising

With more than 50 networks appealing to distinct demographic, psychographic and geographic audiences, cable television is unmatched in its ability to offer both broad and targeted reach.

On-demand advertising extends television campaigns and engages viewers by showcasing additional video about advertisers' products and services.

Digital Advertising

Through high-visibility placements on popular websites like XFINITY.com, marketers can align their advertising by bringing their TV commercials online, enhancing them with interactive features and links for unsurpassed effectiveness and efficiency.

FEATURES

- Leverages growing consumer “media multitasking” behavior: using multiple devices simultaneously.
- Advertising can be segmented by demographic, psychographic and geographic criteria, across full markets or at the neighborhood level.

BENEFITS

- Maximizes reach by targeting audiences using multiple devices for unduplicated local reach.
- Allows for deeper engagement with advertisers' target audiences.

SPOT CABLE ADVERTISING

OVERVIEW

Spot cable refers to local advertising running on cable networks like USA, TBS, ESPN and MTV in locally zoned markets. Advertisers and their agencies select from the dozens of networks that best match their customer demographics and the areas that fit their geographic needs.

FEATURES

- **Flexibility** - cable offers unparalleled ability to be both big and small: placing brands in front of audiences in dozens of cities all across the country.
- **Geographic Targeting** - by effectively using spot cable, advertisers can reduce waste by concentrating a message only in the areas needed to reach the right audience.
- **Demographic Targeting** - spot cable allows companies to advertise on the cable networks that best allow them to reach the niche audiences interested in a product or service.
- **Customization** - through Comcast Spotlight's 72 interconnects (groups of cable systems within markets that are linked together to give advertisers the option to reach all cable households within those areas), marketers can easily create a strategically designed awareness-building campaign, while still enjoying the efficiency and targetability that spot cable delivers.

BENEFITS

- Increases efficiency by focusing on the markets where a core audience is located - eliminating the need to pay for wasted coverage.
- Enables brands to be associated with the most-watched programming on television for increased visibility and credibility.
- Provides unmatched ability to align marketing with content on more than 50 networks based on demographics and psychographics.
- Expands reach by aggregating audiences across multiple networks reaching similar audiences.

FAST FACTS

- Cable Reaches over 90% of TV Households.
- Consumers spend over 99 hours per month with cable brands on TV & Internet combined.
- 6 of the Top 10 most socially buzzed about Primetime programs were on ad-supported cable.
- Less than a quarter of Cable's primetime minutes are time-shifted versus half of broadcasts.

ADTAG™ & ADCOPY™

OVERVIEW

Adtag™ and Adcopy™ enhance the ability to target spot cable advertising by customizing commercials based on geography within a market, making local advertising more relevant and effective.

Adtag™ customizes the final five seconds of a 30-second commercial with specific, neighborhood-level information. Adcopy™ allows advertisers to promote different products or services by airing different commercials in different parts of a market simultaneously. The result is a custom mix of advertising that delivers a more targeted message while maintaining reach and frequency in a market.

FEATURES

- Geographic segmentation with different messages for different audiences.
- Multiple versions, multiple zones—one traffic order.
- Repurposing creative materials for different segments comes standard.

BENEFITS

- Offers a more targeted and flexible approach to local advertising that other media can't match.
- Strengthens brands by delivering a consistent overarching messages enhanced with relevant local information.
- Maximizes return on investment by reaching multiple audiences with one advertising buy.
- Promotes different products and messages to support one, or multiple, brands.

FAST FACTS

Available in 84 of the top 100 markets, representing 19 of the top 20.¹

Fast turnaround: over 90% of campaigns tagged and delivered to market same day.¹

ON DEMAND

OVERVIEW

On-demand advertising enhances the impact of a television campaign by offering additional content and making it available around the clock, effectively creating a dedicated TV “channel” for each advertiser. Content can be custom-created by an advertiser or provided by a national brand through co-op partnerships. With customers choosing what and when they want to watch, advertisers benefit from a low-clutter environment and an actively engaged audience proactively selecting content.

FEATURES

- Opportunities to create custom long-form advertising or sponsor pre-produced content from Comcast Spotlight partners.
- Themed content folders (automotive, real estate, careers-education, shopping, home & garden, health & wellness, travel & leisure, entertainment and more) make content easily discoverable as customers browse available selections.
- Multiple ways for customers to access on-demand advertising, including tuning to a dedicated channel number, selecting from the on-screen program guide and using Comcast’s mobile apps.
- Television advertising can include messages that contain “tags,” or additional information about locating on-demand content, or interactive overlays that allow viewers to begin watching it by clicking one button on their remote controls.

BENEFITS

- Combines the power of television’s sight, sound and motion with segmentation capabilities, reaching consumers who are proactively seeking out additional information about a product or service.
- Extends the “shelf life” of an advertising campaign with a full-time presence.
- Allows viewers to proceed at their own pace, re-watch content that interests them and select additional content about the same product or service, in a low-clutter environment.
- Paired with a telescoping interactive overlay, navigation to an on-demand asset is a one-click experience.

FAST FACTS

- Available in nearly 19+ million homes across more than 60 markets.
- 40% of users have children.*
- 68% of users own their homes.*
- 59% of users are presently married.*
- On demand users are active members of society who are more likely to have investments, attend sporting & theater events, dine out, purchase vehicles in the next year and more.*

XFINITY.COM

OVERVIEW

XFINITY.com is the award-winning consumer portal for more than 21 million XFINITY Internet subscribers. But it's more than a gateway, it's a high-traffic, content-rich destination where users are streaming millions of videos per month, checking email, managing their accounts, reading the latest news and more. XFINITY.com is one of the most-visited sites in many markets, surpassing newspaper and television stations sites.

Advertisers benefit from that popularity with the ability to reach audiences through advertising in streaming video and well-positioned banner ads and text links, all in a clutter-free environment. What's more, Comcast Spotlight's banner advertising opportunities include the ability to play video, giving advertisers the ability to extend the reach of their creative campaigns with minimal added investment or effort. Advertisers also have opportunities to take advantage of high-impact online advertising executions such as home-page and sign-in takeovers.

In the same way that television advertising can be delivered to an entire market or individual neighborhoods, advertising on XFINITY.com can be geographically targeted to reach just the areas advertisers want, reducing waste and inefficiency.

FEATURES

- High-quality content in popular categories like news, sports, finance, lifestyle and entertainment.
- Multiple ad formats available: video pre-roll, display, in-banner video, text links and expandable display ads.

XFINITY.COM

AUTOMOTIVE AUDIENCE TARGETING

OVERVIEW

With car shoppers spending significant time online before visiting a dealership, reaching those audiences with timely, relevant messages is critical. Comcast Spotlight, in conjunction with Polk, has created a sophisticated modeling platform, enabling automotive marketers to effectively segment audiences based on demographic and lifestyle data.

XFINITY.com Automotive Audience Targeting identifies more than 70 unique predictor segments, including a purchase predictor—the vehicle most likely to be purchased by a group of households—and garage predictor—the make and model a group of households currently owns.

Advertisers can use this modeling capability to deliver targeted advertising to these audience groups, for a more focused, engaging and effective campaign on XFINITY.com, one of the most-visited local websites in many Comcast Spotlight markets and the portal for more than 21 million XFINITY Internet customers.

FEATURES

- Marketers can deliver distinct messages to audiences at multiple stages of the purchase process.
- Combines the targeting capabilities of direct marketing with the interactivity and immediacy of online advertising.
- Available advertising units are 300x250 run-of-site, and 160x600 and/or 300x250 on the XFINITY.com mail center.

BENEFITS

- Premium, low-clutter, above-the-fold inventory on XFINITY.com reaches authenticated XFINITY Internet customers.
- Polk's Total Market Predictor segments are proven to effectively target based on vehicle affinity and purchase intent.
- Placement on XFINITY.com guards against bot traffic and ad conflicts.

FAST FACTS

Marketers can reach specific groups of consumers by leveraging:

- 70+ Polk market predictor segments.
- **Purchase Predictor (PP):** what type of vehicle will a household likely purchase.
- **Garage Predictor (GP):** what type and what brand of vehicle does a household likely own.
